Hermes-Powered B2B ERP & Company Website Blueprint

Dual-Track Strategy: Production Optimization + Greenfield Build

Strategi implementasi NousResearch Hermes sebagai backbone AI agent untuk membangun dan mengorganisir sistem ERP B2B serta website company profile Company X — dengan arsitektur zero-cost hybrid (cloud free-tier + on-prem Hermes via Cloudflare Tunnel), function calling native, LoRA fine-tune domain B2B Indonesia, dan stack 100% open-source.

NousResearch Hermes | B2B ERP | Zero-Cost Stack | Hybrid Deployment | Function Calling | LoRA Fine-Tune
